Who We Are

The Chamber of Commerce Executives of Kansas (CCEKS) was established in 1968 to unite chamber of commerce professionals in the State of Kansas through professional and personal development. Today, CCEKS continues to focus on education for chambers, their staff, and volunteers, and to build high quality executives that can lead and make positive impacts on their community.

Reach the Decision Makers

Don't miss the chance at the Fall Conference to reach approximately 100 community and economic development CEOs and staff from across the state. The CCEKS Fall Conference sponsorship offers an excellent opportunity to build and strengthen relationships with CCEKS members; increase visibility, publicity, and brand recognition you need to stand out in today's competitive environment; and provides a platform to communicate the benefits of your company and industry.
